Re: Parkland Airshed Management Zone 2020 Membership

The Parkland Airshed Management Zone (PAMZ) is a multi-stakeholder non-profit organization consisting of industry, provincial government departments, local government, and environmental non-government organizations and the public. It was formed in 1997 to monitor and manage air quality within the west central region of Alberta.

In 2019, PAMZ’s achievements included:
- completion of the twentieth year of operating the PAMZ Regional Air Quality Monitoring Program
- issues-based air quality monitoring in Bentley
- community-based air quality monitoring in the City of Red Deer
- participation on a Clean Air Strategic Alliance (CASA) team reviewing existing and developing new provincial ambient air quality objectives for implementation by Alberta Environment and Parks (AEP)
- collaboration with AEP and other regional stakeholders, focusing on understanding and addressing fine particulate matter (PM2.5) exceedences in the region.
- developing and implementing a plan to ensure levels of PM2.5 and other criterion pollutants do not exceed the Canadian Ambient Air Quality Standards in the future

At this time we are extending an invitation to the Town of Carstairs to join other local municipalities such as Clearwater, Lacombe, Mountain View & Red Deer Counties, the City of Red Deer and Bentley and others and join PAMZ. These municipalities have all recognized the benefits of participating in a multi-stakeholder consensus-based process aimed at ensuring air quality in our region is maintained or improved into the future.

We have taken the liberty of enclosing an invoice for the Town of Carstairs’s membership fee for 2020, should it decide to become a member of PAMZ. The fee is based on a per capita calculation that is detailed in the attached calculation sheet. If you have any questions about membership in PAMZ please contact the undersigned at your convenience.

Kevin Warren
