Community Building for an Active, Creative and Engaged Alberta!

The Town of Carstairs with ACE Communities is hosting a free one-day workshop on Community Building!

DATE: Saturday, March 10th, 2012

**9:00 am - 4:30 pm & registration at 8:30 am
Carstairs Community Hall**

If you are on the Board or Executive of a local club, group, or organization; if you are in a position of leadership within the community; if you are actively involved in any community initiative; if you are planning on someday being any of the foregoing – this is your opportunity.

This Community Building Workshop will be led and facilitated by experts accessed through our in-kind ACE Community Funding. As a workshop participant you will:

1. Gain an improved understanding of community building/community development and its importance to your group/organization;
2. Learn about tools and resources for community building, and have an opportunity to purchase a Community Building Toolkit
3. Learn about individual leadership styles and how they impact our role as community leaders
4. Become familiar with various types of plans
5. Learn what it means to be an ACE Community
6. Learn how to access ARPA programs and resources
7. Learn how to apply a planning framework that uses a community development approach
8. Help to determine the next steps for your community

We are limited to a maximum of 50 people for this event. It is open to anyone across Alberta who would like to attend – but we would like to see a significant number of those 50 people come from our own community. Please get your registrations in early.
