Historic Places Day. Carstairs Heritage Centre 10 am – 4 pm. Join us for mini-tours of our historic buildings, leaving on the hour throughout the day on July 7th. The Carstairs Heritage Centre shares a site with Knox Presbyterian Church, built in 1901, and is a Registered Provincial Historic Resource. We also have onsite the historic McCaig House, built in 1901 and moved to the museum in 1988. Both buildings are filled with history and help to tell the story of the development of Carstairs. Historic places tell us the stories that brought Canada to life, teach us about our heritage in a way history class can't, and can give us a sense of collective identity.
