

# **The Carstairs Inquisitor Summer/Fall 2010 is underway, and we need your help!**

**We're gearing up for our next edition of the Carstairs Inquisitor, and we're asking for your information. If you are involved with or know community groups, sports organizations, service clubs, ANYONE that is planning something that they want the public to know about, please contact us with the date, information about the event/activity, contact information, etc. and we'll be sure to include it in our calendar of events. This magazine will be a reliable source of information for our residents to continually refer to and hang onto. We're going to contact as many of the groups as we can, but we don't want to miss anyone, so please pass this request along to everyone you know involved in the community. Please call or email with information or if you have any questions.**

**Thanks so much for your help!**

**Please send updated information for your organization—include contact name, phone number, email address & website.**

**Deadline for submissions—April 9th, 2010**
